Transcriber's Office
FLOOR DEBATE

May 16, 2001

LB 536A

FA260.

SENATOR CHAMBERS: Thank you. Mr. President, members of the Legislature, Senator Dierks and Senator Wehrbein don't realize how collegial I'm being here today and I want them to mark this, because I could have offered a motion to reconsider but I decided I wouldn't do that; I would just let my vote in favor of my motion stand. I would not...I did not ask for a record vote so I could change to not voting. I'm giving you all...I'm offering an overture. I'm making an overture. I'm offering you an olive branch. You all have not offered me anything this morning. Senator Dierks is over there eating cookies. He didn't even offer me a cookie. But, at any rate, despite the fact that my opponents are so hardhearted and unrelenting, I made that overture, I offered the olive branch. I have been rejected so I must proceed with my presentation. And this is a motion.

SENATOR CUDABACK: Senator Chambers.

SENATOR CHAMBERS: What...yes. I'm getting on my machine what motion this is. Mr. Clerk, I didn't keep a copy so...

SENATOR CUDABACK: We're on FA260.

SENATOR CHAMBERS: Thank you.

ASSISTANT CLERK: Senator, this is the one identified as FA260.

SENATOR CHAMBERS: I've got it on the gadget now. Thank you. Members of the Legislature, in line 2, there's only one page of this A bill, in line 2 I would strike "3,000,000", insert "one dollar", and then I would strike lines 4 through 6. I would like to ask Senator Dierks a question.

SENATOR CUDABACK: Senator Dierks, would you respond, please? Senator Dierks, Senator Chambers is asking you a question.

SENATOR DIERKS: Yes.

SENATOR CHAMBERS: Senator Dierks, have you seen this amendment?
